One day camps offer a day of arts (each camp day differs with activities exploring dance, theatre, art and more!), learning and FUN! Register for one or for them all! Early drop-off (8:30-9am) offered for no additional charge for all AM camps that begin at 9am. Campers bring a packed lunch, water bottle and dress appropriately for hands-on arts explorations and outdoor play (as weather permits). All supplies included.

Our middle daughter started kinderdance with Mr. Moodie when she was two and a half and we had an amazing experience. Almost four years later, all three of our girls have participated in various dance, music, and arts classes and camps. The team at Fairmount is one of a kind. Wonderful instructors, supportive staff, and an absolutely amazing director.

We can't recommend Fairmount Center for Arts highly enough! ~ **Kim Swiantek**
