

COVID-19 SAFETY PROTOCOLS

Updated 8.20.21

Fairmount ***strongly*** encourages all to wear masks when onsite for programs. However, any Fairmount Center for the Arts patrons ages 12 years and older who have been fully vaccinated against COVID-19 are no longer required to wear a face mask inside the facility.

Those 12 and older who are unvaccinated must still wear a mask.

School-age children (ages 5-12 years) attending programs must also still wear a mask.
